Within a matter of seconds, visitors to your offices form an opinion about your company.

What is the
MAJOR INFLUENCE
on that decision?

The image your décor conveys.

ARE YOU PROJECTING THE
RIGHT IMAGE
TO VISITORS OR YOUR TEAM?

PRICED FOR BUSINESS BUDGETS

Every business operates on a budget. Purchasing art and framing for a business demands options not found in frame shops that cater to residential customers. We offer art and framing choices priced for businesses.

WE HELP FIND ART

Finding the right art for your space can be very difficult. We can help by using the many resources we have developed over years in the industry.

WE PICK-UP, DELIVER, & INSTALL

Let us do the running. If you have art you need framed, we will pick it up. When your framing is done, we will deliver and hang it to ensure a proper & safe display.

APPLEGATE CORPORATE,

quality custom framing for Northern Virginia
